

Date : _____

A black and white line drawing of a Grim Reaper. The figure has a large, flowing hooded robe with the number '1' placed in several locations: on the forehead, cheeks, and various parts of the robe. The face is skeletal with large, dark, almond-shaped eyes containing the number '0', two small dots for a nose, and a wide, toothy grin showing many sharp teeth, with the number '1' also on the lower face. The figure holds a scythe in its right hand. The scythe's handle has the number '2' near the grip and '3' further up. The blade of the scythe is large and curved, with the number '4' appearing twice on its upper edge and '5' at the tip.
